

## How to Get your child's state Progress Monitoring Scores

Test Scores are now available within 24 hours after testing and posted to the State of Florida's FAMILY PORTAL. Schools are now taking the mid year assessment (PM2) over the next several days. Here is how to see how your child is doing:

STEP 1:  
Go to your  
FOCUS Parent  
Portal.

STEP 2:  
Click on the  
Florida Icon

If you have not set up your FOCUS Parent Portal and need help to do so, you can do so here: <https://bradford.focusschoolsoftware.com/focus/>

To view the set up Help Guide see:  
[How To Set Up Your Parent Portal Account:](#)

STEP 3:  
Review your  
child's scores  
and ask the  
teacher how  
you can help.

### FAST FAQ's

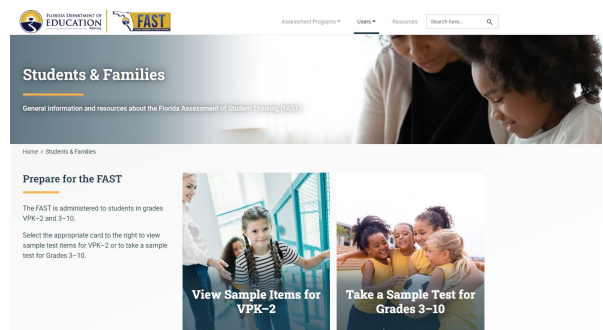

1. FAST is given at the beginning (PM1), middle (PM2), and end of the year (PM3).
2. FAST is based on Florida's new B.E.S.T. Standards for ELA and Math
3. Because the test measures a student's progress toward mastering grade level material by the end of the year, it is expected that scores for the beginning and middle of the year are lower. However, you do want to see growth from the beginning to the middle of the year.
4. The end of year test (PM3) is used as a final test to measure student mastery of grade level material.
5. For Grades 3-10, the current Achievement Levels describe a student's success with the grade level standards. Level 3 indicates on-grade level performance. The Achievement Levels reported for PM 1 and PM2 may be lower as students are still learning grade level materials.
